Endurance, Fellowship, Compassion and Peace

Dear Parents and Carers,

Who can believe that this school year is nearly at the end? It has been a superb year with so many rich learning opportunities and experiences through which the children have developed in so many different ways. We are incredibly proud of the children's achievements this year - whether this is in the classroom, on stage, in the sporting arena, creatively, socially or indeed personally. They are always a delight to work with and regularly bring a smile to members of our school community.

In our final week of term we have the last few celebration events of the year:

Wednesday 18th July - 1.30pm (for 1.45pm start) Newport does Broadway. All parents invited.

Thursday 19th July - 9.00am KS1 Final Celebration Worship.

Thursday 19th July - 2.00pm Y6 Leavers Presentation. All Y6 parents invited.

Friday 20th July - 10.00am KS2 End of Year Service at St John's Church. All KS2 parents invited.

We are so lucky to have such a talented and committed staff team, who regularly go above and beyond to ensure that the children have many opportunities to thrive, try out new experiences and indeed share their particular gifts and talents. I am sure you will join me in thanking them for their tremendous work this year.

As a staff we are very grateful for the parental support given across the year, whether this is through the encouragement you give for homework, making sure the children have all they need in school, providing costumes, coming along to parent meetings or helping out on the many trips and special events. Thank you.

As a staff we would like to thank all members of The Friends of Newport for their work and commitment to organising the community and fund raising events across the year - particular thanks to Jodie Marshall, Claire and Darren Mew and Claire Owers for making the summer fair a successful event - in total this raised £1340 which is going towards some new playground equipment. As always our site manager, Terry Barnes was a star!

Finally I would like to wish our delightful Year 6 children every happiness and success as they leave to take on the challenge of secondary school.

We wish you all a most joyful summer break and look forward to welcoming all our new and current children back to school on Wednesday 5th September.

For information - over the summer break there will be some building works taking place at our school. A new pedestrian fenced off perimeter pathway is being installed so that parents can access the pre-school / school without coming across the main playground. The buzzers on the gates will therefore be removed as they will no longer be necessary. At the beginning and end of the school day gates will be open to allow for dropping off and picking up, after which they will be locked.

Sadly we are saying goodbye to Mr McQueen at the end of this term and wish him every success as he heads off to university.

Regards

Katherine Marshall

Collective Worship

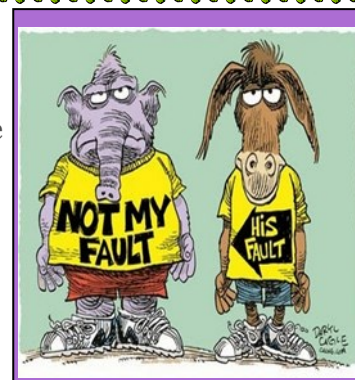

The theme for this week:
Responsibility

Dear God

Help all those who represent their country to be the best they can be.
Help us to be graceful in our winning and resilient in our losing.

Amen

30 Days Wild

This term we have been learning about plants and pollination. We have been involved in wild activities including grass-whistling, cloud-gazing and wild-meditating! We enjoyed learning about plant life-cycles which pollination is a big part of. In class we dissected a flower and looked at the different parts (e.g. Stigma, stamens and style. It was very fun!

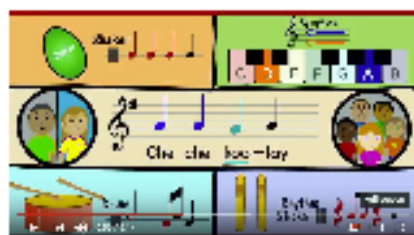

English – A Thief in the Village

This term in English we have been learning about stories that are set in Jamaica. We enjoyed it because we got to learn the Jamaican accent. The stories we read were Becky and the wheel and Brake boys, the Mouth organ boys and The Banana tree.

Music

In music we have been learning a Ghanaian song called Che Che Koolay. It is a call and response song. We also played different rhythms to go with it using claves, drums, glockenspiels and shakers. We followed the music carefully and learnt about quavers, crochets, minims, semi-briefs and rests. It was quite hard sometimes!

RE—Protection

This term we have been learning about protection. We thought it was really fun because we made rakhis by plaiting coloured cotton and threading beads and other sparkly bits on. It was really fun making a rakhi for a friend or family member to show that you will always protect them.

Sport

This term in PE we have been learning cricket. It has been loads of fun. We played loads of fun games including diamond cricket and also continuous cricket. There was also a lesson which held practice rounds for sports day. We have also been doing lots of fixtures like basketball and cricket and outside of school.
