Executive Headteacher: Katherine Marshall

7th July 2017 Issue 19

Dear Parents and Carers,

Life and learning at Newport has been as busy and exciting as ever over the last few weeks. Our Y6 children have been preparing for their move to secondary school, and have enjoyed the transition days in their new schools. All other year groups had a fantastic 'move up' day, there were smiles all round as the children spent the day with their new class and teacher. Thank you to all parents who attended the 'Open Evening', took the time to look at the children's work and meet their child's new class teacher.

Over the summer break a change around of classrooms is taking place. The Y5 and 6 classes are moving to the larger demountable classrooms, which are more suited for the older, and indeed larger, children. This means the Y1 and 2 classes will be in the main building, flowing on from the EYFS base. Our Y3 and 4 classes will be taking up residence in the current Y5 and 6 classes.

Sporting activities have also been a large feature over the last few weeks, with representatives from Newport competing in a cricket festival and the handball competition as part of the Island games. Many thanks to Mr Lawrence and Mr Forman for organising an excellent sports day - it was great to see every child participating in all the events with enthusiasm, cheered on by the host of parents and grandparents who were able to join us.

The grand 'Around the world in 80 minutes' learning experience also began, and children across the school have been thoroughly engaged in a whole host of learning activities which will culminate in the grand event on 18th July - which I hope many of you will be able to join us for.

Finally, who can forget the excellent Summer Fair, many thanks are due to the 'Friends of Newport', who organised such a lovely community event. As always the funds raised go towards providing enrichment and additional resources for the children.
