Endurance, Fellowship, Compassion and Peace

Dear Parents and Carers,

As a result of the recent 'snow closure day' the Presentation of the Community awards due on Friday 2nd March has been re-scheduled to take place on Friday 16th March.

Hats for Hospice was very well supported by children and staff across the school raising over £185 for this highly valued provision. Thank you to all those who took part and made a donation.

A huge thank you and well done to Mrs Jones, Miss Fletcher and our very hard working librarians for co-ordinating our entry into this years 'national World Book Day' competition - we are delighted to announce that Newport CE Primary won the Bronze prize, which means we will be getting £500 worth of books. Once again the school was alive with book characters from across the world of children's fiction. Many thanks to all parents for their efforts in creating the costumes.

Well done to our Year 6 team who went off last week to compete in the 'Spelling Bee' competition. The level of challenge was high with children having to spell a range of demanding words at speed. As expected, the children gave their very best.

Recently interviews were completed for the new post of Inclusion Leader at Newport. This post combines two previous roles of Pastoral Lead and SENco, together with a wider responsibility for the provision for vulnerable learners. We have been very fortunate to recruit a very experienced leader to this role who has taken up the post this week: Miss Alison Mosedale joins the Newport team part time in the first instance, taking on the Pastoral lead. Once the handover has been completed, Heather Williams will return to Carisbrooke full time. Between now and Easter, Alison Mosedale will be working alongside Trudi Bridgeman - who is currently covering the SENco role - so a gradual handover for SEN will take place. After Easter Alison Mosedale will be full time at Newport.

Attached for your information is our RE Policy, which has recently been reviewed by the Governing body. Any feedback is welcomed.

Regards
Katherine Marshall

Collective Worship

The theme for this week:

Wisdom

Dear Lord,

Help us to have faith in the good things that will happen in our lives.
Help us to have hopes and to put our hope in you.

Amen

Know that wisdom
is such to your soul;
if you find it,
there will be
a future,
and your hope
will not be cut off.

-Proverbs 24:14

News from Walliams Class (and the World's Worst Children!)

Last half term was a busy one – mostly due to Isle Dance 2018. Of the 26 children that competed, 14 of these came from within Walliams Class. All of us were very proud of what was achieved, and thoroughly enjoyed our own performance.

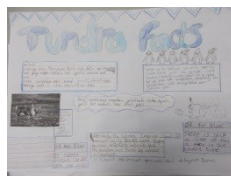

For the World Book Day competition, we worked very hard on inventing our own World's Worst Children – this was fun – especially as we are also appearing on our umbrella! If you get chance to walk past the library – we are hanging around towards the back!

As part of our curriculum units we had a Space Day where each UKS2 class stayed at school until 9pm so we could take in the awe and wonder of the night-time sky. The Planetarium Dome was incredible and took us to places in the universe that we could only imagine. We were also lucky enough to catch the moon trying to peep through the clouds – this was very exciting!

This half term has already started with us learning and understanding the importance of Food Hygiene before creating our own tastes of Italy through DT (Food Technology strand) where we made our own pasta and tomato based bolognaise sauce – it was delicious! We also took a tour around the world's natural Biomes in our Brazil – Rainforest unit. Children became experts in one particular biome and then presented their discoveries to other groups.

Finally, this half term will see us working together as a year group to do our own adaptation of the Easter Story. This will incorporate drama, singing and maybe a dance or two! Alongside this we will develop our own understanding of Easter and the significance this has on the lives of Christians today.
