Endurance, Fellowship, Compassion and Peace

Dear Parents and Carers,

Thank you for your continued support over the last half term, which as ever has been very busy. Well done to all our Year 2 and Year 6 children for completing all the end of key stage assessments in their stride. I know everyone has been impressed by their positive and determined attitude.

Our Year 3 and 4 children enjoyed an educational trip to Sandown this week as part of their learning about coastal geography. Staff and members of the public noted their excellent attitude and behaviour whilst out and about.

Children from various year groups have taken part in a range of sporting opportunities and events including a basketball festival, a cricket coaching programme and cricket competitions. Through these events the children are not only developing physical skills but also understanding the importance of a good sporting attitude.

Some of year 6 children have also taken part in the challenge programme, one with a focus on mathematics and another on deciphering historical sources.

Meanwhile the children in EYFS have been exploring Carisbrooke Castle, learning about life in the past.

The picnic for the royal wedding was a great success. Thank you to all parents for supporting your child in the red, white and blue theme.

Curriculum leaflets detailing the learning focus for the next half term for each phase should have come home with your child this week. These are also available on the school website.

We wish you all an enjoyable half term, and look forward to welcoming the children back on Monday 4th June.

Regards

Katherine Marshall
Executive Headteacher

Achievement Board

Blackman	96.08	1	Isabel Dominey, Emma Morey, Lily Tosdevin and Emily Wright

Collective Worship
The theme for this week:
Justice

Dear God,

Help us to have courage and faith towards everything we do and to not let anyone bring us down and say we are nothing.

Also help the earth to bring happiness to everyone so everyone can have a great life even though they are going through the trickiest of times.

Please bring happiness to people who are less fortunate than us.

Amen

Written by Emily Hayward-Reed

Summer term in KS1

Key Stage 1 have been reading a book called 'Surprising Sharks'. Despite the fact it looks like a fiction book, it is infact a non-fiction book. The children have learnt lots of interesting facts about sharks and this leads us on to our trip to an Aquarium in Southsea after the half-term.

In Maths we have been working on developing our knowledge of place value and our addition and subtraction skills. We have also focused on developing our fluency and reasoning skills by explaining how we know the answer.

We have also had a 'Global Citizenship week' in Discovery, where we explored the meaning of being 'rich'. At first we thought that this was about how much

money we had. We then looked at different cultures around the world and decided that no matter where people lived or what they had it was the same. It was not the amount of money you have that decides if you are rich, as a rich life is about being happy and satisfied.

Diary Dates

Friday 25th May - Last day of half term

Monday 4th June - Back to school

Monday 4th June - Yr 1 and 2 visit to Blue Reef Aquarium

Monday 4th - Friday 8th June - Y6 Residential to Medina Valley

Friday 8th June - EYFS Classes Assembly - **New Date**
